- #5 MOST SUSTAINABLE CITIES IN THE U.S.** (ARCADIS Sustainable Cities Index 2015)
- #2 BEST ENERGY & RESOURCE POLICY THINK TANK IN THE WORLD** (Houston Business Journal 2016)

Houston serves as the county seat of Harris County. As one of the main hubs within the Texas Triangle, that is Dallas-Fort Worth, Houston, and San Antonio. The Houston area is one of the fastest growing job markets and economies in the United States. It is also the nation's fourth largest city with a population of about 2.3 million, while the Houston - The Woodlands - Sugar Land Metropolitan Statistical Area (Houston MSA) ranks fifth among U.S. metropolitan statistical areas (MSA) with a population of 6.6 million.

Houston is served by a dense network of highways and an interstate system, including Interstate Highways 10 & 45, Interstate 610, and also served by U.S. 59, U.S. 90, U.S. 290, and Texas 99. The region is home to a number of ports including the ports of Houston, Galveston, Freeport, and Texas City. The area is located 163 miles from Austin, 197 miles from San Antonio, and 239 miles from Dallas.

## EXXONMOBIL HOUSTON CAMPUS

ExxonMobil has constructed a state-of-the-art campus in Houston that is home to its Upstream, Downstream and Chemicals companies and associated service groups.

The campus is located on 385 wooded acres directly North of Springwoods Village Parkway, a key thoroughfare in the Springwoods Village development. Immediately to the west of Interstate Highway 45 (I-45) at the intersection of I-45 and the Hardy Toll Road, the campus is approximately 25 miles from the cultural vibrancy of downtown Houston.

Already an integral part of the Houston community, ExxonMobil will continue to engage with business, community and charitable organizations across the greater Houston area. This project will provide significant economic benefits for Texas and the local economy. An independent economic impact study estimates the campus will create 36,000 person years of employment during construction and 44,000 permanent jobs during ongoing operations.

## THE WOODLANDS

The Woodlands is a 27,000 acre master planned community founded in 1974, located 28 miles north of downtown Houston.

Many large companies have chosen to make The Woodlands their corporate home including Chevron Phillips, Huntsman, Anadarko, Hewitt Associates, Lexicon Pharmaceuticals, Merck Sealand, and Woodforest National Bank. Although many residents still commute into Houston, the number of local job opportunities grows every year.

The Woodlands also has a host of entertainment venues throughout town, most notably with The Cynthia Woods Mitchell Pavilion.

## REGIONAL TRAFFIC GENERATORS

### THE HOUSTON AIRPORT SYSTEM (HAS)

The Houston Airport System (HAS) served more than 50 million travelers (2013), and ranks as the eighth busiest international passenger gateway in the U.S. The HAS serves 190 destinations – including nonstop service to approximately 121 domestic destinations and 69 direct and nonstop foreign destinations from George Bush Intercontinental Airport. William P. Hobby Airport serves more than 40 domestic destinations and 9 international destinations. Ellington International Airport services the U.S. Armed Forces, NASA and a variety of general aviation tenants. Other airports in the region include: Scholes at Galveston GLS Airport, Southeast Texas Regional BPT Airport in Beaumont and Sugar Land Regional Airport.

### PORT OF HOUSTON

The region is home to a number of ports including the ports of Houston, Galveston, Freeport and Texas City. The Port of Houston is ranked first in the U.S. in foreign tonnage and is the largest container port in the Gulf Coast, handling 66 percent of Gulf coast container traffic in 2013. As one of the world's busiest seaport areas, this trade hub is set for a booming future. Houston's concentration of ocean carriers, heavy haulers, project forwarders, EPC and oil and refining companies are well positioned to accommodate future growth.

### NASA JOHNSON SPACE CENTER

The Johnson Space Center was established in 1961 as the Manned Spaceflight Center, the home and Mission Control Center for the U.S. human space flight program. In 1973, it was renamed in honor of the late President, and Texas native, Lyndon B. Johnson. For more than 50 years, NASA's Lyndon B. Johnson Space Center (JSC) in Houston has led our nation and the world on a continuing adventure of human exploration, discovery and achievement. The center has played a vital role in powering our country into the 21st century through technological innovations and scientific discoveries. The Johnson Center's \$1.5 billion complex occupies 1,620 acres southeast of downtown Houston, in the Clear Lake area. As the center has evolved into one of NASA's largest research and development facilities, the greater Houston area has developed into an aerospace hub with an identity of amazing achievements, hard work, and innovation.

### HEALTHCARE

**Memorial Hermann Health System:** Memorial Hermann Health System has created Houston's largest, full-service, integrated health system with 16 area hospitals and numerous specialty institutes, programs, and services. Memorial Hermann-Texas Medical Center is one of the nation's busiest Level I trauma centers and the primary teaching hospital for McGovern Medical School at UTHealth. MHMD, the Memorial Hermann Physician Network, comprises more than 2,000 clinically integrated physicians and offers the largest network medical home in the region.

**MD Anderson Cancer Center:** MD Anderson is a global leader in cancer care, cancer research and the fight to end cancer. MD Anderson has been ranked the No. 1 hospital for cancer care in the nation by U.S. News & World Report's "Best Hospitals" survey.

You may not receive any income from this investment nor a complete return of all your investment. Historical or current real estate performance is no guarantee of future real estate investment product results.

# INFORMATION ABOUT BROKERAGE SERVICES

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

## TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

## A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client, and;
- Treat all parties to a real estate transaction honestly and fairly.

## A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly.
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
  - » that the owner will accept a price less than the written asking price;
  - » that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - » any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the Buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

## TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
